Board of Directors Member Nomination Questionnaire

1. How accessible are you to the community on either a scheduled or unscheduled basis?
2. Do you have access to the Internet? Are you willing to work via the Internet with board members, the Management Company, and committee members?
3. What responsibilities do you feel a board member has to the community?
4. Are you comfortable speaking to a group? A hostile group? How would you diffuse hot topics?
5. Can you separate personal opinions and feelings from community issues and work to resolve them?
6. What are the top 3 priorities you see for the community? What is the hottest topic at the present time?

Is there anything else you would like to add to show the community how they would benefit from your role as a board member?
